SPARE COPIES .....

Sub: Buildings - Coimbatore district - Kollegal - Circle Inspector's quarters - Reroofing with Mangalore tiles - Revised estimate submitted.

Ref: G.O.No.Ms.4640, Public Works Department, dated 16.12.1942, communicated with Home Department endorsement No.30201-B-1, dated 29.12.1942.

I have the honour to submit for the approval of the Government a revised estimate amounting to Rs.2170/- for re-roofing the quarters of the Inspector of Police, Kollegal, in the Coimbatore district.

2. In their order referred to above the Government approved of an expenditure of Rs.1,500/- on the work. The Superintending Engineer, Coimbatore Circle, reports that when tenders were invited two contractors obtained the schedule but that only one tendered for the work. As his tender amount exceeded the approved estimate by 63 per cent the Executive Engineer, Salem Division, ordered the execution of the work departmentally by the Public Works Department. As, however, materials such as tiles and wood are not available locally and have to be transported from Mysore at considerable extra cost and as their prices have risen very high it is not possible to carry out the work at the original rates. The estimate has, therefore, had to be revised.

3. The work is absolutely necessary and urgent. As already explained in my letter R.C.No.1015-1/H & B/42, dated 28.11.1942 pot tiles are easily dislodged by monkeys and frequent renewals are necessary in consequence. It will be cheaper in the long run to replace the pot tiles by Mangalore tiles.

4. The estimate will increase the capital cost of the building by Rs.283/-. A provisional data statement for the calculation of rent for the building is enclosed.

5. As the prices of materials and the wages of labour are rising I request very early orders of the Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

for Inspr.-Genl. of Police.

The proposal of the Home Department is to sanction a revised estimate of Rs.2,120 for the re-roofing of the Circle Inspector's quarters at Kollegal, in the Coimbatore district. The original estimate was for Rs.1500 and this was approved G.O. No.1640 P.W.D. dated 16-12-42. The necessity for the increase in the estimate is set out in the report accompanying the revised estimate on p.3 C.F. The I.G. of Police considers that the work is absolutely necessary and urgent.

2. With reference to orders in G.O. 116 P.W.D. dated 15-1-43/works contributing directly to the war effort or other works that cannot conveniently be postponed for the duration of the war can only be undertaken now. As the present work of re-roofing the quarters of the Circle Inspector, Kollegal does not satisfy the criteria laid down in G.O. 116 P.W.D. dated 15-1-43, Finance may advise that the work may be postponed for the duration of the war. If the Home Department wish to press, they may be requested to take orders in circulation including A.A. (The work has not yet been started owing to the high cost of tiles
